FOR PLANNERS, VENUES, COORDINATORS & COUPLES

## Easy to coordinate. Hard to forget.

Highland bagpipes for ceremony entrances, recessionals, and cocktail-hour arrivals across Austin and the Hill Country.

Ryan gives planners and venue teams **a polished live-music option** that feels traditional and personal — an unforgettable moment for the couple, and no extra weight on your timeline.

### BEST MOMENTS

#### Where pipes shine

- **Guest arrival** or prelude atmosphere.
- **Processional** for the couple, family, or wedding party.
- **Recessional** to send everyone off in style.
- **Cocktail-hour entrance** or a Scottish/Irish heritage feature.

### SIMPLE FOR PLANNERS

#### How he works

- **Works from your timeline** — not around it.
- **Confirms cues and placement** well in advance.
- **Full traditional Highland dress** for photos and ceremony.
- **A feature** not a planning burden.

### BACKGROUND

#### Polished, traditional, and easy to place

Seven years performing professionally in the UK and **official piper at Lancaster Castle**, Ryan is now a Central Texas piper who coordinates cleanly with planners, officiants, and DJs alike.
